Wheelwright Cluster E-News

**Fall Cluster Cleanup is this weekend
Saturday, October 23rd!**

Please consider coming out this Saturday for our fall cluster cleanup. Everyone can contribute - we have projects big and small - and we appreciate any bit of help you can offer! **We will be starting the morning with coffee and a welcome table by the Little Free Library at 9am.** Projects will include:

- *patching potholes in the parking lot*
- *removing invasive plants and weeds in the areas surrounding the tot lot*
- *mulching areas around tot lot*
- *maintenance of new brick footpath by 2251*
- *picking up trash in and around the neighborhood (this is a great one for kids!)*
- *sanding and sealing tot lot benches*

Color samples for doors and siding will also be available during the cleanup. Sandy Mohler will be available for questions.
