## Wheelwright Cluster E-News

## Announcements

**Happy Thanksgiving!!**

## Tree Work

Cluster work is scheduled for **Tuesday, December 1st through Thursday December 3rd**. If your parking space is needed by the tree company, you will be notified and your vehicle(s) may need to be moved for the duration of the work. If you are unsure whether tree work will be done close to your property, you can refer to the list [here](#).

## Annual Meeting

### Very Important Update:

The board has decided against the in-person option for the annual meeting (which was to be held at the Reston Community Center). This year's Wheelwright Annual Meeting will **only** be held **virtually**. This decision was made due to increasing Covid infections in our area and the Governor's mandate to limit gatherings to 25 people.

As a result, the board is polling the community to assess which virtual platforms are most widely accessible and user friendly to our homeowners as well as reaching out to those members who may need guidance using virtual platforms. Please take our survey [here](#). *Alternatively, a hard copy of the survey will be delivered door to door. You can return the paper version of the survey to the cluster mailbox on the back of the little free library.*

The Wheelwright Cluster Annual Meeting will still be held on **Monday, December 7th at 7pm**. Stay tuned for more information as we gather data on how best to connect with our community members.

Some topics will include electric cars and charging stations, asphalt rejuvenation, glass pickup service, erosion/drainage issues, change in color palette for house siding, and community composting.

## Board Member Positions Open for 2021

Two positions will need to be filled for the upcoming year. If you've ever considered volunteering for your neighborhood, now is the time! Board members make key decisions regarding maintenance of the community.

## Wheelwright Dues Drop Box

The Wheelwright "mailbox" for dropping quarterly dues checks has moved. There is a new box attached to the rear of the Little Free Library. Please use this box for dues checks going forward.

## Erosion/Drainage Work

Sunrise Landscape and Design will be completing drainage work to the rear of houses 2251-2255 in early December (*a date has not yet been finalized*). If your property will be affected by this work, you will receive notice several days in advance. Additionally, if your parking space is

needed by the landscapers, you may be asked to relocate your vehicle(s) for the duration of the work.

## Mark your Calendars!

**Wheelwright Annual Meeting to be held Monday, December 7th at 7pm.**

This meeting has been changed to **virtual ONLY**. Please see the information above.

### BE A GOOD NEIGHBOR FRIENDLY REMINDERS:

#### DESIGNATED BATHROOM AREAS FOR DOGS

Please direct your dogs to the mulched areas in the lower and upper clusters to do their business. Additionally, dogs can go to the bathroom along the sidewalks on Olde Crafts Drive to the left and right of the entrance. And always remember to pick up after your pup! Thanks for being a thoughtful neighbor!

#### FRONT YARD BUSHES

Please be sure to trim your front yard bushes back from the sidewalks. Many bushes and shrubs are blocking part or all of the walkways and making it difficult for people to pass through.

#### GLASS DISPOSAL

Glass is no longer an accepted item for the regular recycling bins in Fairfax County. All glass CAN be recycled in the large purple bins at locations throughout Northern Virginia. The closest to us is the Reston

South Park and Ride towards the rear of the parking lot. If you are unable to recycle your glass in the purple bins, please discard them in the regular trash.

## Additional Info

### Communicating through Email

If you would like to **opt out** of receiving the Wheelwright E-Newsletter, please respond to [kdninabean@gmail.com](mailto:kdninabean@gmail.com). If you have a tenant who would be interested in receiving this newsletter, please respond to this email with their email address. We will continue to post updates on our [Facebook](#) page and the [Wheelwright Website](#).
