# Wheelwright Cluster E-News

## Announcements

### From Bates Trucking:

**WE ARE WORKING ON MONDAY 7/5**

**All trash and recycling services will be performed on Monday. There will be no interruption in services for the week.**

## Wheelwright Cluster Community Cookout

The Wheelwright Board is excited to invite you to a **summer cookout** for community residents on **Sunday, August 1st**. We'll be cooking up burgers, dogs, and sides. Consider joining us for an outdoor meetup with your neighbors!

## Fall Cluster Clean-Up

The next Wheelwright Cluster cleanup will be held **Saturday, October 23rd**. The board is looking for 100% participation amongst homeowners. Have you been reluctant to participate in past cleanups? What would incentivize you and your neighbors to join in? [Email us with your ideas!](#)

## Mark your Calendars!

**Next cluster cluster  
board meeting  
Thursday, July 8th  
at 7 pm.**

This meeting will be led virtually via Zoom. All are welcome to attend. [Here is the link to join the meeting](#) (also posted on [Facebook](#) and the [Wheelwright website](#).)

### BE A GOOD NEIGHBOR FRIENDLY REMINDERS:

#### DESIGNATED BATHROOM AREAS FOR DOGS

Please direct your dogs to the mulched areas in the lower and upper clusters to do their business. Additionally, dogs can go to the bathroom along the sidewalks on Olde Crafts Drive to the left and right of the entrance. And always remember to pick up after your pup! Thanks for being a thoughtful neighbor!

#### FRONT YARD BUSHES

Please be sure to trim your front yard bushes back from the sidewalks. Many bushes and shrubs are blocking part or all of the walkways and making it difficult for people to pass through.

### GLASS DISPOSAL

Glass is no longer an accepted item for the regular recycling bins in Fairfax County. All glass CAN be recycled in the large purple bins at locations throughout Northern Virginia. The closest to us is the Reston South Park and Ride towards the rear of the parking lot. If you are unable to recycle your glass in the purple bins, please discard them in the regular trash.

## Additional Info

### Communicating through Email

If you would like to **opt out** of receiving the Wheelwright E-Newsletter, please respond to [kdninabean@gmail.com](mailto:kdninabean@gmail.com). If you have a tenant who would be interested in receiving this newsletter, please respond to this email with their email address. We will continue to post updates on our [Facebook](#) page and the [Wheelwright Website](#).
