Wheelwright Cluster E-News

Announcements

Wheelwright Homeowners:

We need your input! Please fill out this very quick [survey](#) about paying dues online.

Homeowner Tree Work

Wheelwright Cluster is working with JL Tree Service to prune, trim and remove unhealthy or dying trees. Cluster work is scheduled for December 1st-3rd. If you are interested in having trees on your property trimmed or pruned, you can contact [JL Tree Service](#) for a quote. Any work scheduled after December 1st is eligible for their 15% winter discount.

Homeowner Concrete Work

The board has finalized a proposal with Bright Construction Group and will be scheduling sidewalk repair in the upper cluster in the next several weeks. If you are interested in having concrete work done on your property, please [email the board](#). Details about the company and neighborhood discount [here](#).

Homeowner Lawn Care

The cluster's landscaping company, Newcastle Lawn and Garden, has offered to perform weeding and seeding for individual yards before the winter season. If you are interested in this service, please fill out the [order form](#). You will be billed by the cluster for services rendered.

Cluster Cleanups

Do you have suggestions for cluster clean up projects? We'd love to hear from you! Kindly fill out this [form](#) with your ideas.

Please consider getting involved in cluster cleanups. Not only is it a great way to connect with your neighbors, it also helps to increase property values without a lot of financial investment. Projects generally range from spreading mulch and planting to larger projects like building the Little Free Library. There is something for everyone at cluster cleanups. Hope to see you at one soon!

Halloween

The Board is currently considering a plan for the Wheelwright Cluster to enjoy a safe Halloween with CDC social distancing guidelines in place. Details to follow in the next newsletter.

Mark your Calendars!

Next Wheelwright Cluster Board Meeting Thursday, October 8th at 7pm.

This meeting will be led virtually via Skype. All are welcome to attend. A link to join will be posted shortly before the meeting begins on our [Facebook](#) page as well as the Wheelwright cluster [website](#).

Wheelwright Annual Meeting to be held Monday, December 7th at 7pm.

There will be an option to attend in person at Reston Community Center (with social distancing and personal protection guidelines strictly enforced) as well as a virtual option. Please plan to attend this very important meeting as we will be discussing some community issues that

Cluster Cleanup to be held the weekend of October 25th.

discussing some community issues that require a minimum number of homeowners in attendance for quorum.

Don't miss this opportunity to put some sweat equity into our beautiful neighborhood with your neighbors. Projects will include mulching common areas where grass struggles to grow, fixing the "mulch volcanoes" around many of our trees, picking up garbage, and pulling invasive plants. A sign-up genius will be made available to cluster residents a couple of weeks before the cleanup. People will be able to work in small groups outside with masks and social distancing measures in place at different times throughout the weekend.

Shout out to our neighbor Ruth Schulte for starting the process of painting a rock for each of the children in the neighborhood! These masterpieces have been placed in the "Children's Garden" at the foot of the Little Free Library. Don't see your child's name in there? Reply to this email and we'll get one in there for your kiddo. Alternatively, you can create one yourselves and add it to the garden!

BE A GOOD NEIGHBOR FRIENDLY REMINDERS:

DESIGNATED BATHROOM AREAS FOR DOGS

Please direct your dogs to the mulched areas in the lower and upper clusters to do their business. Additionally, dogs can go to the bathroom along the sidewalks on Olde Crafts Drive to the left and right of the entrance. And always remember to pick up after your pup! Thanks for being a thoughtful neighbor!

FRONT YARD BUSHES

Please be sure to trim your front yard bushes back from the sidewalks. Many bushes and shrubs are blocking part or all of the walkways and making it difficult for people to pass through.

GLASS DISPOSAL

Glass is no longer an accepted item for the regular recycling bins in Fairfax County. All glass CAN be recycled in the large purple bins at locations throughout Northern Virginia. The closest to us is the Reston South Park and Ride towards the rear of the parking lot. If you are unable to recycle your glass in the purple bins, please discard them in the regular trash.

Additional Info

Communicating through Email

If you would like to **opt out** of receiving the Wheelwright E-Newsletter, please respond to kdninabean@gmail.com. If you have a tenant who would be interested in receiving this newsletter, please respond to this email with their email address. We will continue to post updates on our [Facebook](#) page and the [Wheelwright Website](#).

Landscaping

If you'd like your lawn to be skipped over by the landscaping crews, email [Kristina](#) for a "stop sign" for your front yard.

Your yard will not be mowed or trimmed for the duration that the sign is posted in your yard.
