Announcements

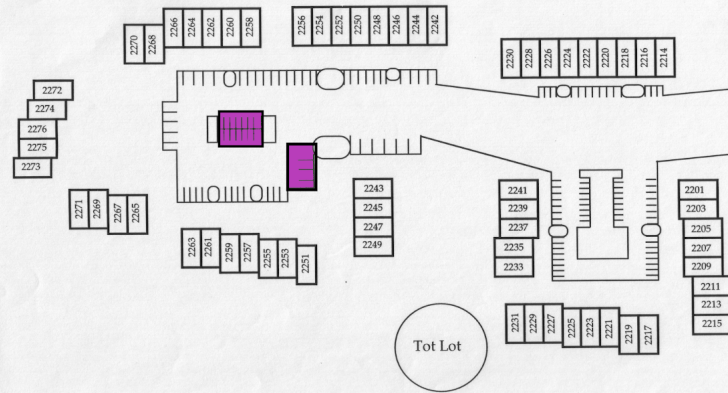

🌳 Major Tree Work Next

Monday, January 17th 🌲

Our tree company, JL Trees, will be removing the very large oak tree on the lower cluster island in the middle of the parking lot. For this reason, most cars in the lower cluster will need to be relocated for the duration of this work. Most importantly, this will include all cars parked in the center below the island and cars in spaces along houses 2243-2249.

All parking spaces highlighted in pink on the map below will need to be vacated no later than 6 pm Sunday, January 16th. *(It may be necessary to relocate cars to Olde Crafts Drive)*

Wheelwright Cluster January 2022 Board Meeting

Our first meeting of the new year will be this Thursday, January 13th at 7 pm via Zoom. All are welcome to attend. We'll be discussing the results of the annual meeting survey as well as reviewing several other items from the annual meeting. Look for a Zoom link on our [Facebook page](#) and [website](#).

BE A GOOD NEIGHBOR FRIENDLY REMINDERS:

DESIGNATED BATHROOM AREAS FOR DOGS

Please direct your dogs to the mulched areas in the lower and upper clusters to do their business. Additionally, dogs can go to the bathroom along the sidewalks on Olde Crafts Drive to the left and right of the entrance. And always remember to pick up after your pup! Thanks for being a thoughtful neighbor!

FRONT YARD BUSHES

Please be sure to trim your front yard bushes back from the sidewalks. Many bushes and shrubs are blocking part or all of the walkways and making it difficult for people to pass through.

GLASS DISPOSAL

Glass is no longer an accepted item for the regular recycling bins in Fairfax County. All glass CAN be recycled in the large purple bins at locations throughout Northern Virginia. The closest to us is the Reston South Park and Ride towards the rear of the parking lot. If you are unable to recycle your glass in the purple bins, please discard them in the regular trash.
