## Wheelwright Cluster E-News

**All vehicles** parked on Wheelwright Court will need to be **registered with the board by May 1st**. Please make sure that your tags and registration are current with the state and that you have sent your car information to the board. **If you have not yet registered with the cluster or are unsure, PLEASE fill out this FORM so that we can have your vehicle(s) in our records.** Thanks for everyone taking the time to make sure we are all adhering to the parking rules. This will ensure that people from outside our community do not take advantage of our parking lot.

## Spring Cluster Cleanup is scheduled for Saturday, April 30th at 9 am!

Mark your calendars! The board is aiming for 100% participation from Wheelwright residents. Why? Because many hands make light work, the more we beautify our community, the more our property values increase, and we can all take pride in our communal living spaces. Everyone can contribute - we have projects big and small - we appreciate any bit of help you can offer! **We will be starting the morning with coffee and a welcome table.** Projects will include:

- patching potholes in the parking lot
- multiple plantings throughout the cluster
- picking up trash in and around the neighborhood (this is a great one for kids!)

We will conclude the clean up with an outdoor cookout including burgers, dogs and sides. (There will be vegetarian options as well)

You won't want to miss this opportunity to build and beautify our community and connect with your neighbors.

The cluster will also provide the large roll off dumpster for residents that weekend.

*Please do NOT discard mattresses, tires, fridges, washers, dryers, dishwashers, or hazardous waste/paint in the dumpster. The dumpster cannot have items that go above the walls of the container.*

# Little Free Library Friendly Reminders

The Wheelwright Little Free Library is there to encourage free exchange of books in the community. While donations are encouraged, **please refrain from unloading stacks of books into the library. If the library is full, please do not leave books on the ground or in boxes next to the library.** Thanks everyone for your participation and consideration of these guidelines!
