

Wheelwrighter - October 2022

Wheelwright Cluster Cleanup - Saturday, October 22nd at 9 am.

Please join us for the Fall Cluster Cleanup! We are looking for 100% participation in our community so we can keep homeowner costs low and property values high! Here is a list of projects scheduled for the event:

- patching holes in parking lot asphalt
- rebuilding stairs in the lower cluster between 2263 and 2265.
- planting colorful bulbs throughout the neighborhood
- planting butterfly weed seeds (native plant that is a food source for monarch caterpillars)
- picking up trash throughout the neighborhood

Cookout following Cluster Cleanup at Noon on 10/22.

Join us for hot dogs, hamburgers, and drinks and get to know your neighbors!

GreenDrop Donation

A donation truck will be parked in our lot on Saturday, Oct. 15th

If you have gently used household items you would like to donate to GreenDrop, we'll be providing the truck for residents to fill and deliver the donations to GreenDrop at Fox Mill Shopping Center.

Please check the website

(<https://www.gogreendrop.com/>) to see what items are eligible for donation.

Unfortunately, the cluster will not be able to provide individual receipts for donations.

Hazardous Waste Pickup this Saturday, October 8th.

Put your hazardous waste items on the curb this Saturday by 9am for pickup. A list of acceptable items for pickup can be found on the back of this newsletter.

Next Wheelwright Board Meeting is Thursday, October 13th. All are welcome to attend. Look for the Zoom link on our Facebook page and Wheelwright website

Wheelwright Cluster Annual Meeting Monday, December 5th at 7pm.

Please make every effort to attend this once a year meeting. Many agenda items require quorum to move forward so your attendance is critical.

This year's meeting will be held virtually via Zoom.

Board member seats will be available. Please consider joining the board so you can make a positive impact in your neighborhood!

If you haven't been receiving regular email newsletters from the Wheelwright board, we may not have your most current email address. Please email us at wheelwright.cluster.assoc@gmail.com and request to be put on our email distribution list!
