

# Wheelwrighter – November 2022

## 2022 Wheelwright Cluster Annual Meeting

This year's annual meeting will be held in a **virtual format only** using **Zoom** on **Monday December 5, 2022**. The meeting will begin promptly at 7pm.

We encourage everyone to join us and value your opinion and feedback! If you are unsure of your ability to access the meeting via Zoom or would like to do a “test run” – please contact the board and we will be happy to work with you.

Below are some highlights of our planned discussion.

**Design Changes.** We will be discussing many design changes recently approved by Reston Association. We will also be discussing aesthetic updates the board is considering for year 2023.

**Parking:** Parking space availability; is there a need for additional parking spaces? Is there interest in re-looking at the parking space map to reshuffle assigned spaces?

**EV charging stations:** Pilot Charge Up Fairfax program (designed to help communities like ours install public use chargers on common property). As a separate topic: installing charging stations individual parking spaces.

**Board Member openings:** If you are thinking about joining the board for the first time or have served on the board in the past and would like to rejoin, the community needs you. We have 2 openings that will be open for nominations. Thanks for considering!

We hope you are able to join us for the meeting and look forward to your input on these topics.

**Current Board Members:** Kristina Myers, President, Sandy Mohler, VP, Kayleen Chin, Secretary, Kelly Fairfank - Treasurer/Director, Cyndi Hartmann - Director (contact us at [wheelwright.cluster.assoc@gmail.com](mailto:wheelwright.cluster.assoc@gmail.com))
