 Landscaping Issues 

Spring is here and our landscaping company will begin lawn care soon. Please inform the

board of any issues that arise, i.e. areas that are missed, damaged property, etc. Please contact us at [Wheelwright.cluster.assoc@gmail.com](mailto:Wheelwright.cluster.assoc@gmail.com) so that we can communicate problems to our landscaper and get them remedied right away.

Also, if you would like the landscapers to skip your yard, please mark the areas very clearly that you would like them to stay away from with their mowers and trimmers.

 **Please remember to**   
**put your garbage bins out no earlier than the evening before garbage pickup. Additionally, empty bins must be brought in the same day that garbage is collected.**
